

Garlo's Pies

Kingsgrove , NSW

Design and construction of high care food warehouse.

Meeting high quality and hygiene standards

PROJECT DESCRIPTION

Design and Construction of a high care food manufacturing facility including construction of the facility within and existing warehouse at Kingsgrove within a very short time frame.

It had to meet the highest food standards and finishes to enable the client to produce high quality products

OVERCOMING CHALLENGES

Challenges encountered included the supply and provision of a major power upgrade within an out of reach time frame, additional statutory requirements imposed by council at a very late state on project, the introduction of a 200,000 fire tank towards the end stages.

We overcome the challenges with the construction and completion occurring on a 7 day working week with extended hours roster.

INNOVATIONS

Time was of the essence to the client.

To enable innovation and product outcome for current and future business, work took place under a strict time frame with minimal to no interruption to current production.

CLIENT

Garlo's Pies

PROJECT VALUE

\$6 million

CONTRACT

Design & Construction

COMPLETION

September 2016
